Australian National Institute of Management and Commerce (IMC) | CRICOS Code: 02491D | TEQSA PRV: 12059

This form is used only to inform IMC that you expect to apply for an early exit from your course of study. An early exit is a way of leaving a course early but still graduating with a lower-level award if you've met its requirements. For example, you have enrolled in a Master's course but will exit the course with a Graduate Certificate (if available).

*Please look at your course in the **Student Handbook** to see if an exit is available and then discuss with an adviser in the Academic Administration Department to see if you are eligible.*
